digestion support

Q I N

QI DRINK

Some things have belonged together since time immemorial.

She is a tall, slender tropical beauty full of energy and he is not very tall but he is a strong warrior and protector. They both know that together their abilities do not simply add up but they multiply. That is the strength of their combination.

The adlay and astragalus plants have been known for hundreds of years and have become an essential part of Traditional Chinese Medicine. And now they are also a combination in the new therapeutic **QI DRINK**. Their task is to remove fatigue, boost energy, and enhance immunity. **QI DRINK** is not only a therapeutic drink, but it is also a functional food with a high content of biologically effective ingredients. However, in order to fully utilize its strengthening abilities, you need to use it long-term and systematically. It may easily become a part of your daily routine.

TOP QUALITY GUARANTEED

For the products that we haven't gathered ourselves in the wild, we work with certified organic ingredients or with verified producers. We believe that no better products can be found in this category in terms of purity and effect. If you manage to find better ones, we will return your investment.

QI DRINK – The Earth element

NUTRIENTS

Adlay (or Job's tears) has an especially high content of beta-carotene, potassium, calcium, magnesium, iron, copper, manganese, phosphorus, and zinc. It also contains B vitamins. From the dietetic point of view it contains 52% starch, 7% fat and 18% proteins. It is naturally gluten-free.

ENERGY CHARACTERISTICS

Adlay helps us return to our original energies, through which the functioning of the other organs is regulated too. Its nature is cold, the taste is sweet and bland.

EFFECTS ACCORDING TO TRADITIONAL CHINESE MEDICINE

It affects the Earth meridians – the pancreas and the spleen, the stomach and lungs. The Earth stability soothes and supports the meridians of the heart, the pericardium, and the triple burners.

HOW TO SERVE

Dissolve the powder in about 2 dl of hot or cold water and drink it with food. It is best served as a hot drink with your breakfast. The recommended daily dose is 4 g (1 teaspoon) 1× per day. Children aged 3 or older take half the dose. The drink can be enjoyed on a long-term basis. Not suitable for pregnant women or for those taking immunosuppressants.

THE PRODUCT IS SUITABLE

For all age groups, including children aged 3 and older.

INGREDIENTS

extract of Adlay seeds 90%, extract of the Astragalus root 10%

RECOMMENDED DOSE

QI DRINK can be drunk throughout the whole year. If you want to boost its effects, you can take into account the season of the year or the part of the day to enable the best regeneration of your body.
