NATURAL
PRODUCTS

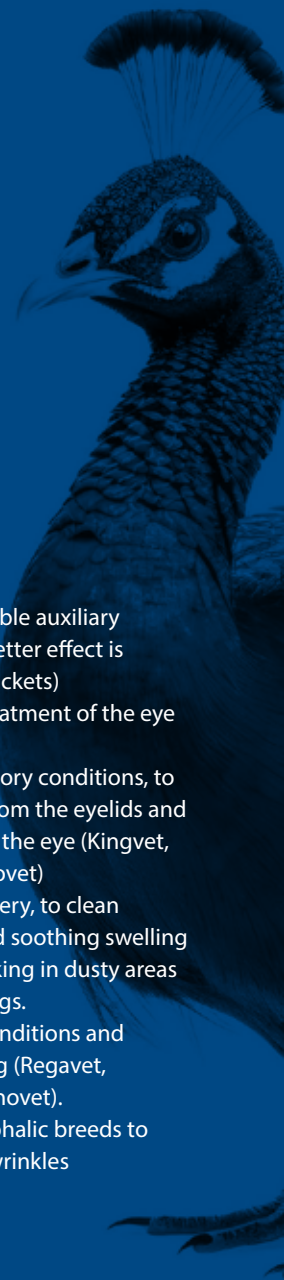

OCUVET

Eye water containing herbal ingredients and hyaluronic acid. It is suitable for preventive cleaning as well as for removing secretions and dirt in the case of eye diseases or after surgical procedures. Lowers pH, supports natural barrier, and nourishes eyelid skin.

USE

(The most suitable auxiliary product for a better effect is indicated in brackets)

- » Preventive treatment of the eye area
- » For inflammatory conditions, to remove dirt from the eyelids and the surface of the eye (Kingvet, Imunovet, Virovet)
- » After eye surgery, to clean secretions and soothing swelling
- » For dogs working in dusty areas or hunting dogs.
- » For allergic conditions and eyelid swelling (Regavet, Gynevet, Imunovet).
- » For brachycephalic breeds to cleanse skin wrinkles

- 
- » Treating hypovitaminosis in turtles and eyelid swelling (Fytovet, Nutrivet, Omegavet)
 - » For herpesvirus in kittens (Imunovet, Virovet)
 - » For dry eye syndrome (Omegavet, Kingvet, Cytovet)

INGREDIENTS

Aqua, Extractum Herbarum (Aesculus Hippocastanum Flower Extract, Geranium Robertianum Extract, Plantago Lanceolata Leaf Extract, Symphytum Officinale Root Extract, Eupatorium Cannabinum Extract, Tropaeolum Majus Extract, Sanguisorba Officinalis Root Extract, Acetum), Phenetyl Alcohol, Hyaluronic Acid.

RECOMMENDED DOSAGE

Apply a small amount of water with an atomizer e.g. on a makeup pad and wipe the eye area.

In cases of increased secretion, it can be used several times a day for routine cleaning as needed.

RECOMMENDATIONS

Once opened, store in the refrigerator and use within 3 months.

WARNING

Keep out of sight and reach of children! For animals only. This product is not a substitute for veterinary care and medications recommended by a veterinarian.

Avoid contact with the eyes. For external use only.

STORAGE

Store in a dry place, out of direct sunlight, at a temperature of 10–25°C. Protect from frost. Store in the refrigerator after opening. Follow local legislation when disposing of waste.

BEST BEFORE DATE

Consume within 3 months of opening. The best before date is marked on the packaging.

VOLUME

100 ml

Veterinary surgeon's recommendation

I use the product for daily cleaning of the eye area and for increased secretion in the case of eye diseases or after surgical procedures. For breeds with a pronounced nasal skin wrinkle, it soothes irritated skin.
