

visage oil

- » gentle and natural cleansing for all skin types
- » removal of bacteria, sebum, and dirt
- » preservation of the hydrolipid film of the skin and skin barrier
- » also works on waterproof make-up
- » natural oils, essences, and herbal extract

Visage Oil is the gentlest method of natural cleansing for all skin types and the first step in your daily morning and evening beauty treatment (routine). According to the “like cures like” principle, it effectively removes bacteria, sebum, and impurities from the skin’s surface and pores which are only fat-soluble and cannot be cleaned with water. It easily handles waterproof makeup without irritation. Unlike make-up remover gels, it does not interfere with the skin’s hydrolipid film and so does not damage the skin barrier. Your skin is left clean, protected, and smooth. It contains only natural oils, precious essences and a unique herbal extract – Protektin.

ACTIONS AND EFFECTS

- » effective morning and evening cosmetic cleansing and treatment of all skin types (the first step before applying other products)
- » gentle removal of make-up (including waterproof), bacteria, sebum, and dirt that cannot be effectively removed with water alone
- » soothing of the skin, preserving its hydrolipid film and natural skin barrier
- » the resulting effect is clean and silky soft skin
- » a purely natural formula with oils, essences, and the unique herbal extract Protektin

UNIQUENESS OF THE HERBAL EXTRACT PROTEKTIN

Protektin extract makes Visage Oil completely unlike all other make-up removal oils. It consists of a unique complex of herbs acting on the relationship between the liver and gallbladder. It ensures the perfect cleansing and neutralization of harmful substances. This synergistic blend of herbs helps improve the condition of the skin in relation to eczema, dry skin, acne and itchy rashes. It gently but effectively detoxifies the skin, soothes itching, helps eliminate pigment spots, and increases the skin’s protection against various types of radiation.

ACTIVE INGREDIENTS

SAFFLOWER OIL

(CARTHAMUS TINCTORIUS)

Excellent nourishing oil with zero comedogenicity and a high content of omega-6 fatty acids, vitamins E, and K. It does not clog pores and is suitable for dry, sensitive, environmentally damaged skin, prone to redness and acne. It helps to soften, calm, and regenerate the skin.

MACADAMIA OIL

Macadamia oil is a very soothing emollient and protective oil due to its high content of monounsaturated fatty acids (omega-7 and -9). It helps skin maintain its elasticity and firmness. With a composition similar to sebum, it is quickly absorbed by the skin without leaving any greasy feeling, and as part of a make-up removal oil, it is important in maintaining the protective hydrolipid film.

ALMOND OIL

This is a widespread and versatile oil used in the care of all skin types, including sensitive ones. Its delicate characteristic fragrance gives a pleasant aroma to Visage Oil. It also contains high levels of antioxidant vitamin E and omega-9 fatty acid (oleic acid). Regenerates stressed and damaged skin.

COCO-CAPRYLATE/CAPRATE (EMOLID)

In cosmetics, this is used as a substitute for volatile silicones. It is made from coconut oil and is completely safe for the skin. It is a dry oil that is very well absorbed by the skin, leaving the skin with a silky feeling, making it soft, supple and smooth. It is very suitable for sensitive skin.

HERBAL EXTRACT PROTEKTIN

Contains an effective blend of herbs (common toadflax, greater celandine, common kidneyvetch, field horsetail,

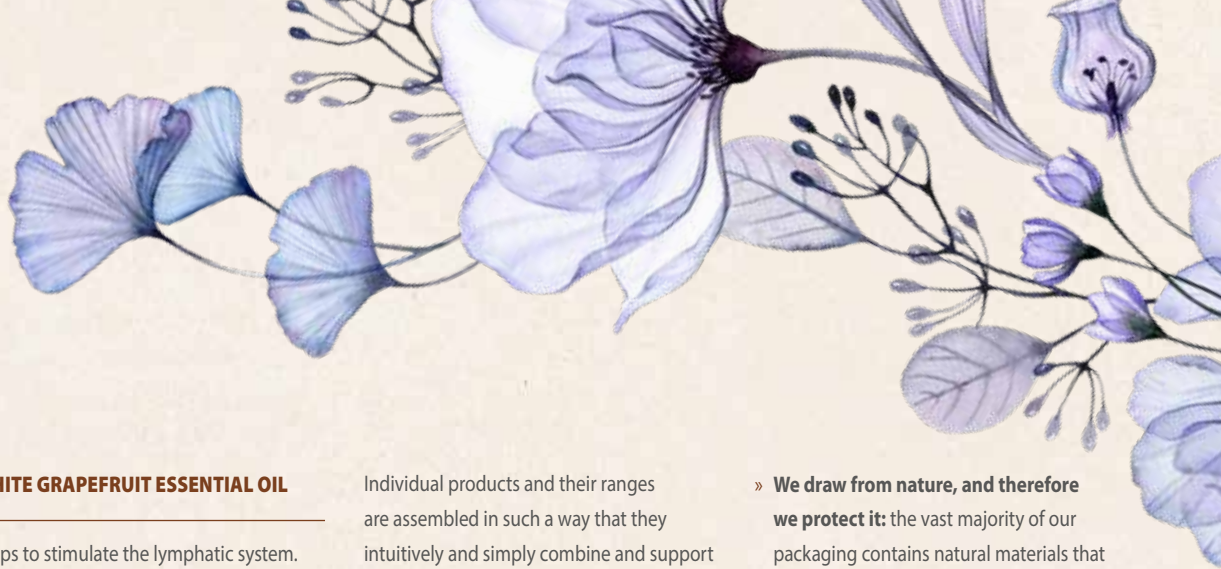

lady's bedstraw, wild pansy, common comfrey, greater burdock, sweet flag, witch-hazel, herb-robert, common fumitory, Japanese pagoda tree, Baikal skullcap, galega, common daisy, liquorice, common heather, Aralia mandshurica) that perfectly cleanses the skin and neutralizes harmful substances, helping with skin problems and soothing the skin.

ESSENTIAL ROMAN CHAMOMILE

Chamomile essential oil is suitable for all skin types and is especially appreciated by skin prone to irritation and inflammation. Regenerates, soothes and revitalizes the skin.

FENNEL ESSENTIAL OIL

This oil is used in cosmetics for its detoxifying properties. It stimulates blood circulation, supports the function of the lymphatic system, and gently, yet effectively, tones and soothes the skin.

WHITE GRAPEFRUIT ESSENTIAL OIL

Helps to stimulate the lymphatic system. Effectively and gently cleanses and detoxifies dirt-prone skin. Additionally, it helps tone mature skin.
