

Vesta

- » rosacea/irritated/reddened skin
- » firming capillaries
- » reducing redness
- » soothing and regenerating
- » brightening the skin
- » rejuvenating effect

Vesta combines the power of traditional phytotherapy, modern biotechnology, and aromatherapy to provide perfect care for reddened skin or skin with rosacea, which suffers from lack of strength and poor elasticity of the blood capillaries. The cream is light, easily absorbed, moisturizing, soothing and feels cooling to the skin.

Thanks to the high content of a synergistic complex of herbs and other active ingredients, it has a beneficial effect on the regeneration and well-being of all skin layers. It is also excellent against wrinkles and premature skin ageing. Additionally, it is the best choice for a soothing after-sun lotion. According to traditional Chinese medicine, its components and action make it a Fire element. It can be used as a day and night cream.

ACTION AND EFFECTS

- » alleviation of redness and the visibility of red veins (rosacea)
- » support for skin firmness and elasticity due to high flavonoid content
- » soothing of stressed skin and elimination of irritation from overheating (heat)
- » reduction of fine lines

BENEFITS OF VESTA CREAM

The extraordinarily complex action of Vesta cream is based on traditionally proven, skin-beneficial herbs other ingredients, combined with modern patented bioactive ingredients. These effects are further enhanced by aromatherapeutic perfuming with essential oils of rose, geranium, cypress, bergamot and ylang-ylang, which promote femininity, self-acceptance, and bring joy to life.

ACTIVE INGREDIENTS

HERBAL EXTRACT

An extract of synergistic herbs with soothing effects, which has a beneficial effect on the elasticity and strength of delicate capillaries thanks to its high content of rutin (buckwheat), silicic acid, and flavonoids. Reduces the appearance of broken veins in the face.

ALGAKTIV® Optimmunist™

(extract of plankton)

» patented natural ingredient

Effectively reduces redness of any type and softens the visibility of veins. Provides protection and relief to irritated skin, feels cooling and soothing. Relieves allergic skin symptoms.

LOOK Oléoactif®

(extract of Terminalia arjuna)

» patented natural ingredient

Contains flavonoids (quercetin, rutin) and polyphenols, which work very effectively to maintain the youthful appearance of the skin by protecting it against the action of free radicals. It promotes microcirculation in the skin and the functioning of the lymphatic system, thus helping to brighten the skin, reduce under-eye circles, soften the depth of wrinkles and increase the much desired "skin glow" (brightening and healthy appearance of the skin).

ARGAN OIL

It is among the rarest oils in the world. Contains vitamins E, F, squalene and a high proportion of unsaturated fatty acids, which contribute to skin revitalization and prevent skin ageing.

DRAGON'S BLOOD

The resin of the Croton lechleri tree has strong antiviral, antibacterial and toning effects, thus protecting the skin.

SUCCINIC ACID

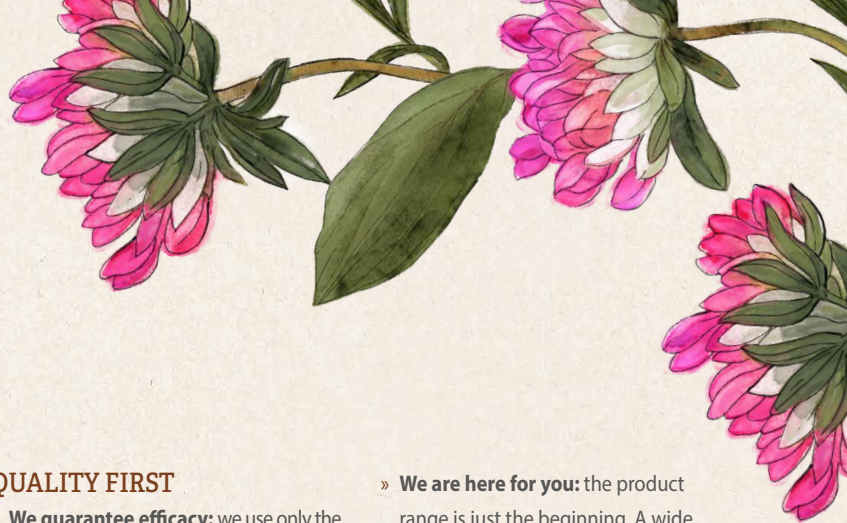

It is a natural part of the skin, where it activates cell metabolism. This speeds up regeneration processes in the skin and reduces the formation of wrinkles.

ALMOND OIL

It is very suitable for the care of sensitive, dry, and mature skin. It contains the antioxidant vitamin E, which helps to protect the skin.

ESSENTIAL OILS ROSE, GERANIUM, YLANG-YLANG, CYPRESS AND BERGAMOT (without bergaptene)

Rose and geranium promote femininity, ylang-ylang enhances self-acceptance. Cypress calms the emotions and bergamot brings joy to the blend.

WHAT IS ENERGY BEAUTY?

Holistic, innovative, and highly effective natural cosmetics. Inspired by Eastern philosophy and Western science, it carries a unique energy and power that can influence the deepest structures of our skin, provide the necessary nourishment, start renewal processes, and establish a natural balance.

The principles of traditional Chinese medicine in perfect harmony with phytotherapy, aromatherapy, and modern biotechnology, together form a unique whole with clinically proven and visible effects.

Energy Beauty brings women perfect care at every age and life cycle. Individual products and their ranges are designed to combine and support each other intuitively and easily. Women can take care of themselves lovingly and effectively, while still having enough time to live and create.

QUALITY FIRST

» **We guarantee efficacy:** we use only the highest appropriate concentrations and a broad spectrum of active ingredients to provide a truly visible and demonstrable effect.

» **We take care of every detail:** all products are based on our own, long-developed and proven formulas from ingredients that come from proven and authentic suppliers.

» **We are natural:** you won't find parabens, SLS, petroleum derivatives, phthalates, synthetic fragrances or other inappropriate or unfriendly substances in our products.

» **We draw from nature and therefore protect it:** the vast majority of our packaging contains natural materials that are gentle on the environment and the energy our products carry.

» **We are here for you:** the product range is just the beginning. A wide range of seminars, comprehensive consultations, whole-body diagnostics, and the ability to address related health issues combine to make a real, holistic, and sustainable solution.

Any woman can be beautiful!

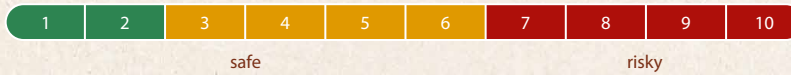

HIGH PERFORMANCE HOLISTIC COSMETICS

» Complementary care for skin prone to redness and rosacea

Visage oil (make-up removal), Visage water (regeneration, hydration), Balance serum (regeneration, calming)

EWG Natural Index*

COMPONENTS

Aqua, Extractum Herbarum ①, Polyisobutene ①, Glycerin ①-②, Macadamia Ternifolia Seed Oil ①, Sorbitan Olivatate ①, Cetearyl Olivatate ①, Cetearyl Alcohol ①, Argania Spinosa Kernel Oil ①, Caprylyl Glycol ①, Oleic Acid ①, Nigella Sativa Seed Oil ①, Vermees, Tocopheryl Acetate ②, Cetyl Palmitate ①, Propanediol ②, Xanthan Gum ①, Sorbitan Palmitate ①, Terminalia Arjuna Extract ①, Hydrogenated Olive Oil ①, Croton Lechleri Resin ①, Olea Europaea Fruit Oil ①, Glyceryl Caprylate ①, Pelargonium Graveolens Flower Oil ④, Sorbitan Oleate ①, Phenylpropanol ②, Olea Europaea Oil Unsaponifiables ①, Sodium Phytate ①, Alcohol, Phaeodactylum Tricornutum Extract ①, Sodium Hyaluronate ①, Lecithin, Succinic Acid ①.

RECOMMENDED APPLICATION

Apply a pea-sized amount of cream in the morning or evening on well-cleansed skin and massage in gently. Can also be used on the eye area. To increase the effect, before applying the cream, apply Visage water and then Balance serum and let it dry. Vesta is excellent for stand-alone use, but also as a foundation under make-up.

SUITABLE COMBINATIONS

» skin prone to redness and rosacea

Visage water + Balance serum + Vesta

» summer hydration, soothing and brightening for all skin types

Visage water + Rejuve serum/Balance serum + Vesta

» sagging and tired skin with loss of brightness

Balance water + Rejuve serum/Visage serum + Vesta

Products available throughout 2025.
