

# visage serum

---

- » natural revitalizing protein-enzymatic complex
- » nutrition, regeneration, and firming
- » wrinkle softening, anti-aging effect
- » collagen booster
- » hydration

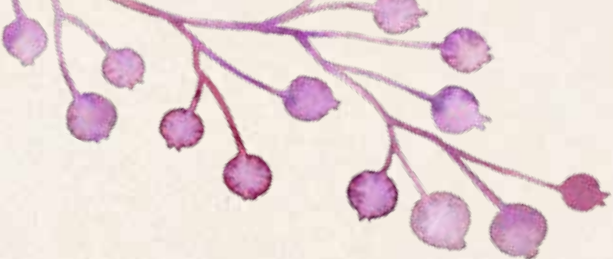

Visage Serum has a strong regenerative effect. Nourishes, rejuvenates, and brightens the skin, restoring its firmness and elasticity. This serum helps soften wrinkles and offers overall hydration. It acts on all levels of pigmentation formation and has anti-inflammatory effects. It contains two essential patented active ingredients, Vermesin® and Helixin®, supplemented with the highest quality argan oil, aloe vera, and natural essential perfume.

### ACTIONS AND EFFECTS

- » perfect nutrition and deep regeneration for the skin
- » hydration, revitalization, and firming
- » promoting cellular renewal and stimulating collagen production
- » softening of wrinkles, maintenance of a youthful appearance for all skin types (anti-aging effect)
- » depigmentation, creating an even skin tone
- » anti-inflammatory action

### FACE SERUM BENEFITS

This skin serum provides highly effective facial and décolleté skin care. It contains a high amount of active ingredients in a special, low molecular weight form that penetrates the skin's deeper layers more easily. Serum generally does not act as protection against moisture loss, so it is advisable to apply it as the first layer, immediately after the lotion and before using the face cream. Visage Serum has an oleogel structure, which, despite its richer texture, is very readily absorbed into the skin. It contains active ingredients soluble in oils and in the water phase (water, gel) and so combines the benefits of hydration, nutrition, and the delivery of high amounts of substances beneficial to the skin.

## ACTIVE INGREDIENTS

### VERMESIN®

---

Vermesin® is an enzyme fraction of *Eisenia andrei*. It contains a number of important enzymes, important for its ability to penetrate the lower layers of skin and tissues, where they initiate the necessary regenerative biochemical processes. They accelerate the healing and regeneration process.

### HELIXIN®

---

Helixin® is an extract of active ingredients similar to the constituents of caviar. It contains a high proportion of protein, a variety of vitamins and minerals, a number of amino acids, and phospholipids. It creates a barrier in the skin, helps protect vita collagen from degradation, while stimulating the production of new collagen. Promotes cellular renewal and activates natural regeneration. Mitigates natural water loss and ensures the skin stays fresh and youthful for a long time. Contains sodium, potassium, calcium, phosphorus, magnesium, vitamins A, B, and

D, isoleucine, lysine, threonine, tryptophan, arginine, glycine, alanine, tyrosine, cystine, aspartic acid, glutamic acid, EPA, DHA.

### ARGAN OIL

---

Argan oil is one of the most expensive and rarest oils in the world. Its limited availability, demanding method of processing, and high content of active substances are the reasons why many call it “*Moroccan gold*”. It has strong lifting effects and healing effects on scars, and is suitable for every skin type.

### ALOE VERA EXTRACT

---

Aloe vera leaf extract is very rich in vitamins, amino acids, polysaccharides, mineral salts, proteins, and enzymes in a biologically easily absorbable form. It moisturizes the skin, prevents inflammation, and keeps it fresh. At the same time, it helps transport the active ingredients from the other ingredients of the serum into the skin. The extract itself is particularly suitable for dry, cracked, and fragile skin. In combination with argan oil,

it forms a naturally caring oleogel that is absorbed into the skin very well.

### GERANIUM ESSENTIAL OIL

---

Geranium is suitable for all skin types, including irritated and reddened skin, which it helps revitalize.

### DAMASK ROSE ESSENTIAL OIL

---

Damask rose essential oil is one of the most precious and rarest of oils. Its rich and sweet scent is unmistakable. It has soothing, antibacterial, anti-inflammatory, and rejuvenating effects on the skin. Suitable for all skin types as it helps maintain natural beauty and femininity.

### BITTER ORANGE ESSENTIAL OIL

---

Bitter orange soothes and tones the skin. It harmonizes especially oily and problematic skin.

### VANILLA ESSENTIAL OIL

---

Vanilla essential oil has skin care properties for dry and sagging-prone mature skin, protecting it from free radicals and helping to slow down the aging process.

### CYPRESS TREE ESSENTIAL OIL

---

Cypress is most useful in the care of problematic skin with enlarged pores and veins. It is also beneficial for reducing swelling.

### YLANG YLANG ESSENTIAL OIL

---

It is suitable for all skin types. It is especially suitable for mature skin, which it helps to keep youthful.

### RECOMMENDED APPLICATION

In the morning and evening, apply the serum to a clean face (with makeup removed) and gently massage into the skin. Avoid the area close to the eye. Can be applied to wet or dry skin. **Visage Serum does not contain emulsifiers and should be shaken before use.** To enhance the effect, use a lotion before the serum and allow to

dry slightly. The serum can be applied, according to skin type, as an additional layer to any cream from the Element Beauty range to enhance its effect, or to Argan oil. If you are new to using serums, first apply once every 2–3 days. Skin needs to become accustomed to higher doses of active ingredients.
