

# luméa eye cream

---

- » deep hydration of the eye area
- » reducing wrinkles and pigment spots
- » reducing swelling, circles, and bags under the eyes
- » soothing irritation and skin tightness
- » rejuvenating with natural exosomes
- » lifting flaccid eyelids

With its balanced composition, this fragrance-free eye cream is suitable for daily care of the sensitive eye area. It provides a soothing, restorative, as well as lifting effect. It deeply hydrates the skin, helps eliminate irritation around the eyes, and reduces puffiness, swelling, and dark circles.

It revitalizes the eye area, bringing back its freshness and elasticity. In addition, the microalgae exosomes deliver visibly rejuvenated and radiant skin around the eye area while reducing pigment spots.

#### EFFECTS AND BENEFITS

- » deep hydration and eye care
- » soothes irritation, as well as feelings of tightness and dryness
- » reducing swelling, circles, and bags under the eyes
- » regeneration, renewal and rejuvenation
- » reducing wrinkles and pigment spots
- » lifts flaccid eyelids

#### BENEFITS OF EYE CREAM

The skin around the eye area is significantly thinner and more delicate than in other parts of the face. It contains fewer sebaceous glands, is less able to retain moisture (hydration) and is much more sensitive. At the same time, this area is most affected by blinking, squinting and increased facial movement. All of this contributes to the faster formation of wrinkles, loss of elasticity, puffiness, and dark circles. This eye cream has been specially developed to respect the delicacy of the skin while still able to significantly reduce all these negative manifestations. Luméa eye cream is easily absorbed, gentle, unscented, yet very effective.

## ACTIVE INGREDIENTS

### CITYGUARD+

A natural active ingredient that combines the energizing effects of seawater and marine alginate (an oligosaccharide from algae) with moisturizing and detoxifying effects. Together they have the ability to reduce under-eye bags immediately after application and reduce sagging eye contours. They tone the skin, soften it, and reduce puffiness and wrinkles.

### EXOMETICS™ G

A bioactive substance derived from algae. It contains effective exosomes (microscopic vesicles) produced by cells that enable intercellular communication and information transfer. They have the ability to stimulate regenerative processes, promote skin health and naturally restore its youthful appearance. They help visibly diminish hyperpigmentation and support a balanced, even skin tone.

### HERBAL EXTRACT

Cornflower – flower (reduces eye fatigue, irritation), Tremella fuciformis (deep hydration, supports hyaluronic acid production), Asiatic pennywort – herb (supports hyaluronic acid and collagen production, anti-inflammatory), eyebright – herb (anti-inflammatory).

### HYALURONIC ACID - LOW MOLECULAR

Hyaluronic acid is a natural part of the skin and makes it both supple and radiant. However, its content decreases with age, and therefore it is desirable to supplement it with suitable preparations. Low molecular weight hyaluronic acid has the ability to penetrate deeper layers of the skin. Here it binds water – making it better able to maintain both hydration and elasticity.

### CORNFLOWER HYDROLYTE

Cornflower hydrolate is known in natural cosmetics as an excellent ingredient for soothing sensitive skin around the eye area and reducing redness.

### ARGAN OIL

Argan oil excels in its ability to care for skin prone to wrinkles, helping to soften and reduce them. It contains squalene and high amounts of vitamin E, which has antioxidant properties.

### OAT OIL

Oat oil is used in the care of irritated, sensitive or eczematic skin. It helps to soothe, smooth and protect it from harmful environmental influences.

## WHAT IS ENERGY BEAUTY?

Holistic, innovative and highly effective natural cosmetics. Inspired by Eastern philosophy and Western science, it carries a unique energy and power that can affect the deepest structures of our skin, provide necessary nourishment, start renewal processes and restore natural balance.

The principles of traditional Chinese medicine in perfect harmony with phytotherapy, aromatherapy and modern biotechnology, form a unique whole with clinically proven and visible effects.

Energy Beauty brings women perfect care at every age and life cycle. The individual products and their ranges are designed to combine and support each other intuitively and easily. This means women can take loving and effective care of themselves while still having enough time to live and create.

## QUALITY FIRST

- » **We guarantee efficacy:** we use only the highest suitable concentrations and a wide range of active ingredients that ensure a truly visible and demonstrable effect.
- » **We attend to every detail:** all our products are created from long-developed, proven recipes, using ingredients from trusted and authentic suppliers.
- » **We are natural:** you will not find parabens, SLS, petroleum derivatives, phthalates, synthetic fragrances or other inappropriate or unfriendly substances in our products.
- » **We draw from nature, and therefore we protect it:** the vast majority of our packaging contains natural materials that are environmentally friendly, as well as mindful of the energy that our products carry.

» **We are here for you:** our product offering is just the beginning. A wide range of seminars, comprehensive consultations, whole-body diagnostics, and the ability to address related health issues combine to make a real, holistic, and sustainable solution.

# Any woman can be beautiful!

## HIGH PERFORMANCE HOLISTIC COSMETICS

» Additional care for the eyes and eye area

Visage oil (make-up removal), Visage water (tonifying, moisturizing),  
Velaya serum (promoting eyelash growth and extension)

## Natural index according to EWG

### INGREDIENTS

Aqua 1, Centaurea Cyanus Flower Water 1, Caprylic/Capric Triglyceride 1, Coco-Caprylate/Caprate 1, Glycerin 1-2, Sorbitan Olivate 1, Cetearyl Olivate 1, Hydrogenated Polyisobutene 1, Avena Sativa Kernel Oil 1, Argania Spinosa Kernel Oil 1, Plukenetia Volubilis Seed Oil 1, Maris Aqua 1, Lauryl Olivate 1, Nigella Sativa Seed Oil 1, Extractum Herbarium 1, Oleic Acid 1, Cetearyl Alcohol 1, Propanediol 2, Cetyl Palmitate 1, Sorbitan Palmitate 1, Terminalia Arjuna Bark Extract 1, Sodium Hyaluronate 1, Xanthan Gum 1, Tocopheryl Acetate 2, Sorbitan Oleate 1, Pentylene Glycol 1, Sodium Phytate 1, Lecithin 2, Hydrolyzed Algin 1, Codium Tomentosum Extract 1-3, Phenethyl Alcohol 2, Sucrose 1, Chlamydomonas Reinhardtii Extract 1, Polyglyceryl-4 Caprate 1, Tocopherol 1-2.

### RECOMMENDED APPLICATION

Apply the eye cream to a clean (makeup-free) face in the morning and evening, gently massaging it into the skin around the eyes. For enhanced effectiveness, apply a facial toner (Visage Water or Balance Water) before the cream and let it lightly dry. The eye cream can also be used on the skin of the neck.

### SUITABLE COMBINATIONS

The eye cream is suitable for all skin types and combines well with all Energy Beauty lotions, serums and creams. Other suitable facial skin care is chosen according to the type skin and its needs.
